From Boy & Goddess Series Drama
Main: Ohtsuka Kazuyuki-san

SO CUTE...??
Character changes freely.
One moment he's angry, another
moment he's depressed and then
another moment he's happy.
He's deeply rooted in people's mind.
Although it's the voice of youth.
BUT HE'S REALLY SO CUTE...!!

Boy & Goddess President
Kamiko Marikawa Toshiyuki-san

Although he's the hero, he has a Devil's voice...!
SUPER SEXY!! As well as it's the
VOICE OF THE GEM...!! This kind of
voice makes people feel... That there's nothing
in the world when they're loved...
PERVERTING PEOPLE...

Kamiko,
sounds and
singing sounds
are properly
distorted...!!

Kamiko is very
young, but with
experience in work.

From the
first drama
and people
were so happy.

He worked as a teacher, but
Shizuka Terashima-san
always talking with a
gentle tone of speaking...!
Very cute...!

It really turned out to be a very
erotic yet cute DRAMA CD.
Be sure to listen to it!!

It was a great experience.
At the same time, I'm extremely
grateful to everyone who made it
happen!! So happy!!
